We would like to start taking orders early for
Graduation Polo Shirts for our Year 6's in 2016

It is **required** that each Student order at least 1 shirt

So that each Student has one for special events, Photos etc...

As in previous years, students have rather quickly out-grown the size they thought they were

So when choosing your size, please bear in mind that these students will grow!!!

Sizes will be checked again with each student, next year before our final order is placed.

Please consider purchasing more than 1 shirt. **These shirts will only be ordered once.**

Remember that these shirts can be worn everyday, the whole year through,

Instead of the regular gold shirts (you will need 1 or 2 gold shirts to start the year)

Please include a 50 % deposit with your order
