

Tip 39 - Spend Wisely.

As part of The Fathering Projects involvement with your school, I will be including helpful tips and ideas for all fathers and father – figures. I hope these tips will help, inspire and encourage all fathers and father – figures to be the best that they can be, as all fathers and father – figures are critically important in every child’s life.

More involved fathers and father – figures = better outcomes for children.

This weeks Tip is focusing on spending wisely.

Over spending on your children/stepchildren is likely to focus your relationship on how much you spend or give, instead of on appreciating each other as family.

Spend wisely.

- Be careful of overusing treats, gifts or special trips in an attempt to ‘bond’.
- Rather than spending, try focusing your efforts on making time for the things you know will mean most to your children/step-children and partner.
- Be there to support them in their school, hobbies, interests and challenges. Let them get to know you by sharing your unique qualities; cooking your signature dish for dinner or taking them to your favourite beach, park or café.
