

Gosnells Primary School Canteen

Our canteen is open Wednesday, Thursday & Friday and serves a variety of healthy foods. Students may order lunch on these days as well as purchase snacks and drinks.

We follow the WA Healthy School Canteen Strategy that uses the red, amber and green menu planner to ensure the food we serve is healthy and fun. The **current menu** is available from the canteen, on the school website or alternatively at the front office.

The canteen is operated by a manger (who is employed by the Association) and a team of volunteers under the direction of the P&C. All funds raised by the P&C are used to support the school, students and the school community.

Volunteers are always needed to join the canteen roster and any help is very much appreciated!

Experience: Not necessary. Everything you need to know will be learnt within a short space of time.

Salary: An 'A la carte' lunch and drink will be provided if you can or are able to volunteer for 4 or more consecutive hours, and best of all friendship and a little fun along the way.

Bonus: Your children are happy to see you in their favourite place – school. You'll meet new people and make good friends within our school community.

Applications close: NEVER
