

14th June 2021

Dear Parents/Guardians,

As you may have heard, during Term 3 at Southern River College we will again be offering the following exciting afterschool enrichment programs for Year 5 and 6 students:

- *Zone Extension Arts Program (ZEAP)*
- *Inspire STEM Ability and Creativity Club (ISAAC Club)*
- *Coder Dojo Club*

This fantastic opportunity allows students to expand their knowledge on all things The Arts, STEM and Coding. Students have really enjoyed these enrichment programs to follow up on their interest in creativity, with excellent facilities and passionate teaching available.

In particular, last year the ISAAC Club program was very popular and we will endeavour to do our best to cater for these popular courses if there is a strong interest.

Attached is information on each program and how to register, as well as permission forms for our ZEAP Program and ISAAC Club.

If you have any questions or require further information on any of the programs, please do not hesitate to contact myself or our Enrolment's Officer Rachel Blundell on 9391 6500.

We hope to see your son/daughter join us in one of these exciting programs and look forward to creating a positive partnership with you and your child at Southern River College.

Kind regards

Mr Frank Di Filippo
