Re: Reporting Update

Dear Parents and Carers

As you are aware, COVID-19 continues to impact our school community and has presented us with challenges in managing both student and staff attendance. I am pleased that together, we have been able to make the best of this situation and ensure your child's continued learning.

As we navigate through these challenges, we will need to do some things differently to ensure our focus remains on your child's daily learning program. For this reason, Semester 1 reporting may look a little different.

The report will include the A to E grades (or equivalent 5 point scale) for required learning areas. Information regarding your child's attitude, behaviour and effort will also continue to be reported. Our school may adjust the extent to which comments are provided due to the ongoing impacts to the program from COVID-19 absences. Should you wish for additional information on your child's progress once reports are provided later this term, please do not hesitate to book a meeting with your classroom teacher.

Thank you for your continued support and encouragement as we work together to provide the best learning opportunities for our students. As we progress, I'll be sure to keep you updated with any new information.

Should you have any questions, please contact the school on 9234 6350.

Kind regards

Scott Tapper

Principal

Gosnells Primary School
