### Dear Gosnells Primary School Community

What a busy and productive few weeks it has been at GPS.

#### Inclusive Sports Carnival:

Last Wednesday, 2 November we were joined by students from Wirrabirra, Bletchley Park and Harmony Primary Schools as we hosted our 2<sup>nd</sup> annual Inclusive Sports Carnival.

This event provided a unique opportunity for students from our Specialist Autism Program to compete in a fun filled event without the pressures of a typical sporting carnival.

A big congratulations to all participants and to our staff for making this event one to remember.

#### School Board:

Are you looking for an opportunity to shape GPS as we work together to create the school our community deserves? Are you able to commit to meeting one evening a term?

With the terms of a number of our current members expiring at the end of this year we will have vacancies for School Board parent and community members from the start of 2023.

Our Journey, Our Future

## FROM THE PRINCIPAL (continued)

These important voluntary positions ensure that our parents and community members have an important voice in our school and work with a dedicated and likeminded group of other parents, staff and community members to support the future of the school.

If this is something of interest to you or you'd like to know more, simply email me via: [scott.tapper@education.wa.edu.au](mailto:scott.tapper@education.wa.edu.au) or call 9234 6350. Nominations close on **Thursday, 8 December 2022**.

### Class Placements:

A reminder that planning for 2023 is very much underway with provisionally planned classes prepared. With these provisional classes in place we are now able to invite parent requests for class placements in 2023. Requests for class placements will only be considered if they are made in writing, based on the specific educational needs of your child, by **Friday, 25 November 2022**. Such requests can be made via email: [gossnells.ps@education.wa.edu.au](mailto:gossnells.ps@education.wa.edu.au) or dropping a letter to the front office.

When considering a class placement request, please be mindful that our teachers may not be in the same class or year levels they are currently as some changes to this is always necessary. It is important to note the complexities involved in establishing classrooms and that parent requests are one of a number of pieces of information considered when arriving at class placement decisions. While we will do our very best to accommodate all requests, it may not be possible to please everybody. In order to assist parents in this process, the provisional class structure (this could change even before the start of 2023) we are working from is: **2 x Kindy, 2 x Pre-Primary, 1 x Pre-Primary/Year 1, 2 x Year 1, Year 1/2, Year 2, Year 2/3, 2 x Year 3, 2 x Year 4, 2 x Year 5, 2 x Year 6.**

Have a great weekend.

Best wishes

**Mr Scott Tapper**

Principal
