

# Fathers on Fridays

Facilitated by David Walker (Father of 5) from The Fathering Project, this playgroup provides a fun and calm environment for dads to play and connect with their children.

It also provides the opportunity to connect and learn with other fathers in the community as well as discuss their own experiences with fatherhood.

Families are welcome to arrive and leave at any time.  
Tea, coffee, and biscuits available.

## A Playgroup for fathers and father figures to connect
