

The Kip McGrath Difference

Proven Methodology

Our proven methods and techniques will bring out the best in your child. Trust the experts to bring the fun back into learning.

Qualified Teachers

Our qualified teachers are trained in our methods. Your child will be taught by enthusiastic tutors who will make learning enjoyable.

Personalised Learning

Every child learns differently and will receive a programme tailored to their learning needs.

International Reputation

With over 40 years' experience tutoring primary and secondary students, Kip McGrath knows what works.

If you think your child needs help, trust your intuition.
