Dear Gosnells Primary School Community,

What an amazing few weeks of school we have had at GPS!

School Uniform:

Thank you to all parents and carers who have been encouraging their children to wear full uniform each day. It makes a profound difference when we can all belong and take pride in what we wear each day.

Thankyou also to those parents who have donated their pre-loved uniforms for us to distribute to those in need. We welcome donations all year round at the front office.

We strongly recommend that you label any school jumpers or jackets as these are the most misplaced item found in our lost property. Without a name, it is difficult to connect the item with their owner.

Book Week Parade:

This Thursday 22nd August at our room 2 and 8 assembly, we will be again hosting our annual book week parade.

Students are encouraged to dress up as their favourite book character.

We can't wait to see all the amazing costumes as we celebrate the importance of reading.

The parade will be held at approximately 8.45am for parents unable to stay for the full event duration.

Children's Book Week

READING IS MAGIC

Thursday, August 22nd: Come dressed up as your favourite book character! During assembly, there will be a book character parade. All parents are welcome, we look forward to seeing you there!

FROM THE PRINCIPAL (continued)

Premier's Reading Challenge:

Don't forget to register for the Premier's Reading Challenge!

The Premier's Reading Challenge is a literacy engagement program which:

encourages students to read more books

enjoy reading

improve their literacy levels.

The mission is for students to read as many books as possible. Students can read anything that sparks their interest and gets them reading.

Whether they're a curious kindergartener or a year 6 student, there is something of interest for readers at any and every level.

Students will expand their vocabulary, learn new facts, and impress their friends with fancy new words that they have learned.

At the end of the challenge, students who complete it will receive a special certificate signed by the Premier.

What's with the dots?

You may have noticed some dots appear around the school (particularly in our corridors and some classrooms). These are to support the effective transitions into the classrooms as we continue to build high expectations for ourselves and others whilst creating an easier environment to navigate as our school continues to grow. To coincide with this change, a line marking team will also be visiting the school next week to add formal white lines to a number of key external areas across the school. We will take this one step further with a reinstatement of lines for our junior bike track and carpark as we continue to enhance the environment of the entire school site.

Wishing you a great fortnight ahead,

Scott Tapper | Principal
