Dear Gosnells Primary School Community,

As Semester 1 comes to a close, we'd like to thank our incredible students, staff, parents and wider community for another fantastic six months of learning, growth and achievement.

Together, we've celebrated successes, embraced new opportunities and continued to build a school where every child is supported to thrive.

Protecting Our Students in a Changing Digital World:

You may have noticed that we are sharing fewer close-up photographs of students across our social media channels and other public publications.

This is a deliberate decision as we continue to strengthen our approach to student safety and privacy. With advances in artificial intelligence and image-editing technology, publicly available photographs of children can be manipulated or misused in ways that were not possible just a few years ago.

While we will continue to celebrate the wonderful learning and achievements taking place at Gosnells Primary School, we are placing a greater emphasis on sharing photos of learning experiences, student work, events, activities and images where individual students are not easily identifiable.

The safety and wellbeing of our students will always come first. We believe this proactive approach helps reduce unnecessary digital risks while still allowing us to showcase the fantastic opportunities available

Semester 1 Reports:

With reports emailed on Tuesday this week, don't forget to download and save your child's report to your computer or device for future reference.

If you use a Gmail or Yahoo email account, please be aware that emails sent from the school can occasionally be filtered into your Junk or Spam folder. We encourage families to check these folders before contacting the school.

If you are unable to locate your child's report, please contact the school on **9234 6350**, and we will be happy to reissue it.

We wish all of our families a safe, restful and enjoyable holiday break. We hope everyone has the chance to relax, recharge and spend quality time with family and friends.

We look forward to welcoming everyone back for an exciting Semester 2 on: **Monday 20 July**

Wishing you all a safe and relaxing school holiday break,

Best wishes,

Scott Tapper | Principal

Exciting!
NEWS!

We are thrilled to announce that
GOSNELLS PRIMARY SCHOOL
HAS SECURED A
\$6,500
Student Science Engagement & International Competitions Grant

Funds will be used to support our participation in the
FIRST® LEGO® LEAGUE CHALLENGE

This opportunity will help us develop our future ready skills:

- COMMUNITY**
We connect, include and support one another.
- COMMUNICATION**
We share ideas clearly and listen with respect.
- CRITICAL THINKING**
We ask questions, solve problems and make informed decisions.
- CREATIVITY**
We imagine, innovate and bring ideas to life.
- COLLABORATION**
We work together, value each other's strengths and achieve more.

Shaping bright futures by empowering lifelong learners.

Science Incursion

This term in science, students have been focusing on Earth and Space topics.

As part of these studies, we had a visit from Australian Earth Science Education (AusEarthEd) on Thursday 18th June. The students took part in some hands-on activities and learned about craters and the impacts on the earth's surface.

The students had a great time making and measuring their own craters.
