Our New email: gosnells.ps.office@education.wa.edu.au

Dear Gosnells Primary School Community

We would love to hear your feedback for any of our events this year as we take your comments to each committee for consideration for when the event returns in 2027 or 2028 for any biannual events.
Gosnells Primary School | Event Feedback – Fill in form

Winners are grinners: A huge congratulations to our **Team GPS Interschool Athletics Team** who proudly secured **1st place** at the recent Interschool Athletics Carnival!

I was incredibly impressed by the outstanding team spirit displayed by our students throughout the day. Despite some strong competition, Team GPS maintained the lead and demonstrated tremendous pride in representing our school. The enthusiastic cheering, encouragement of teammates and passionate singing of our school song were fantastic to see and truly reflected the spirit of Team GPS!

A big thank you to all staff who supported the event (especially Miss C, our Sports specialist) and to the parents and families who came along to cheer on our students. What a fantastic achievement and a proud moment for our school community!

Final Call for Class Placements 2027

Class Placements Planning for 2027 is very much underway with provisionally planned classes to be prepared shortly. We are inviting parent requests for class placements in 2027. Requests for class placements will only be considered if they are made in writing, based on the specific educational needs of your child and close on **Wednesday 18 November 2026**. Such requests can be made via email: **gosnells.ps.office@education.wa.edu.au** or by dropping a letter to the front office.

When considering a class placement request, please be mindful that our teachers may not be in the same class or year levels they are currently as some changes to this is always necessary. A common request is for example when you have two children in the same year level that you may want them to be kept together or apart.

It is important to note the complexities involved in establishing classrooms and that parent requests are one of a number of pieces of information considered when arriving at class placement decisions. **If you have previously made a request in the past year, please resubmit if you'd like this to be continued for 2027.**

Leaving GPS at the end of this year?

With the year fast drawing to a close, if you are planning to enrol in another school for the start of 2027 please let the school know by emailing: **gosnells.ps.office@education.wa.edu.au** or phone on 9234 6350. This notification will greatly assist us to plan classes for the new year and prepare any information to share with the new school too.

Best wishes, **Scott Tapper** | Principal

Reminder – should there be any changes to a student's medical plan please inform the school immediately, so we are better able to support your child. Thank you.
